11 Attorneys for Plaintiff White Cap Construction Supply, Inc.

12 **UNITED STATES DISTRICT COURT**

13 **SOUTHERN DISTRICT OF CALIFORNIA**

14 White Cap Construction Supply, Inc.,

15 Plaintiff,

16 v.

17 The Domain Name *oceanographical.com*,
18 in rem, TierraNet, Inc., Domain Name
19 Registrar

20 Defendant.

'07 CV 2064 WQH CAB

Case No.

Complaint Against Domain Name in rem to
Transfer Domain Name Under the Anticyber-
squatting Consumer Protection Act, 15
U.S.C. § 1125(d)

21 Plaintiff White Cap Construction Supply, Inc. ("White Cap") for its complaint
22 against the domain name *oceanographical.com*, alleges as follows:

23 **FIRST CLAIM FOR RELIEF**

24 **(ANTICYBERSQUATTING CONSUMER PROTECTION ACT - 15 U.S.C. § 1125(d))**

25 **A. JURISDICTION**

26 1. This claim for relief arises under the Lanham Trademark Act, 15 U.S.C.
27 §§ 1051-1127.

28 2. This court has subject matter jurisdiction over this claim for relief under 28
U.S.C. § 1338, 15 U.S.C. § 1121(a) and other federal statutes.

B. THE PARTIES, PERSONAL JURISDICTION AND VENUE

3. Plaintiff White Cap is a Delaware corporation with its principal place of business
at 3120 Airway Avenue, Costa Mesa, California 92626.

1 4. Plaintiff White Cap owns the United States trademark registrations that are the
2 subject matter of this lawsuit.

3 5. TierraNet, Inc ("TierraNet") is the registrar of the domain name at issue,
4 *whitecap.com*. TierraNet's principal place of business is 14284 Danielson St., Poway, CA
5 92064, in this district.

6 6. According to the "Whois" database, *whitecap.com* is registered to
7 *oceanographical.com*, which allegedly is located at 3453 Ingraham St., Suite B, San Diego,
8 CA 92109. However, the on information and belief, the 3453 Ingraham Street address is that
9 of a commercial mail receiving agency at which *oceanograohical.com* has a private mailbox.
10 It is not a physical business address.

11 7. The "Whois" database also says that the domain name registrar for
12 *oceanographical.com* is AW Registry, Inc. However, a representative of the parent
13 corporation of AW Registry, Inc. informed plaintiff that all web-hosting accounts for AW
14 Registry, Inc. were sold to TierraNet and that TierraNet is the registrar for *whitecap.com*.
15 Nevertheless, the "Whois" database continues to list AW Registry, Inc. as the domain name
16 registrar for *oceanographical.com*.

17 8. AW Registry, Inc. claimed to have no information about the owners of
18 *oceanographical.com* other than its address. No company has registered the fictitious name
19 "*oceanographical.com*" with the San Diego County Clerk although any business operating
20 in San Diego County under the name *oceanographical.com* is required to register the name
21 with the county clerk. No company has registered a corporate name *oceanographical.com*
22 with the California Secretary of State. Consequently, plaintiff is unable to obtain *in*
23 *personam* jurisdiction over a person who would have been a defendant in a civil action
24 under 15 U.S.C. § 1125(d)(1).

25 9. This court has *in rem* jurisdiction under 15 U.S.C. § 1125(d)(2) over the domain
26 name *whitecap.com* because its domain name registrar resides in this district.

27 10. Venue is proper in this district under 28 U.S.C. § 1391(b)(3) because the domain
28 name property is in this district.

1 **C. PLAINTIFF'S TRADEMARK RIGHTS**

2 11. White Cap's predecessor in interest founded a store named White Cap
3 Construction Supply in 1976 to provide quality tools and services for the professional
4 contractor community. Today, White Cap's operates over 150 "White Cap" stores
5 throughout the United States.

6 12. Over the past 31 years, White Cap and its predecessor in interest have built a
7 strong reputation of being a leader in providing quality products and quality services to the
8 professional contractor community.

9 13. On or before May 25, 1984, White Cap through its predecessors in interest,
10 commenced using the trademark WHITE CAP in interstate commerce for "retail store and
11 distributorship services in the field of construction tools, equipment and materials" ("the
12 Services"). In this complaint, the term "WHITE CAP" in all upper case letters refers to
13 plaintiff's trademarks and service marks without limitation to the font, capitalization or
14 stylization. White Cap's and its predecessor in interest's use of the trademark WHITE CAP
15 in interstate commerce has been continuous for the Services since May 25, 1984

16 14. White Cap owns United States Trademark Registration No. 1,478,065 in
17 International Class 42 for the trademark WHITE CAP for the Services (Exhibit A).
18 Registration No. 1,478,065 is incontestable within the meaning of 15 U.S.C. § 1065.

19 15. White Cap and its predecessors also have used the trademark WHITE CAP
20 continuously since February 1, 2004, in interstate commerce on non-metal building
21 materials, namely, soffits, sewer and drain pipe of ceramic or earthenware or concrete or
22 sandstone; deck drains of concrete or ceramic; bituminous waterproofing sheets; non-metal
23 storm water pollution prevention products used as construction materials, namely storm
24 water channels, erosion control jute mesh mats, silt fencing, drain filters, sand bags; non-
25 metal concrete forming products, namely, panels, grout bags, rock texture mats, non-
26 chemical concrete bond brakers, expansion board, curb and gutter felt, rebar caps, column
27 forms, and form board ("the Goods").
28

1 16. White Cap owns United States Trademark Registration Nos. 3, 026,843 and
2 3,048,812 in International Class 19 for the trademark WHITE CAP (stylized and not
3 stylized formats) for the Services (Exhibits B and C).

4 17. White Cap also owns other United States trademark registrations for marks that
5 include the words "white cap."

6 18. White Cap owns considerable goodwill in the WHITE CAP trademark for the
7 Goods and the Services. The trademark is inherently distinctive, has acquired secondary
8 meaning and is famous.

9 **D. TODD ESREY'S UNAUTHORIZED USE OF THE WHITE CAP TRADEMARK**

10 19. In or about October 2004, non-party Todd Esrey, registered the domain name
11 *whitecap.com* ("Infringing Domain Name"). Esrey also may have registered other domain
12 names that are identical or confusingly similar to trademarks owned by White Cap.

13 20. Esrey's illegally registered *whitecap.com* domain name incorporates "White
14 Cap," a term that is identical or confusingly similar to White Cap's registered trademark.

15 21. White Cap neither licensed nor authorized Esrey to use the WHITE CAP
16 trademark or to register any domain names that incorporate "White Cap" or any identical or
17 confusingly similar term.

18 22. Esrey knew at all relevant times that the domain names he registered were
19 identical or confusingly similar to White Cap's trademarks, and Esrey willfully infringed
20 White Cap's trademarks.

21 23. On numerous occasions, White Cap notified Esrey that White Cap demanded
22 that Esrey transfer the *whitecap.com* domain name to White Cap and that White Cap
23 intended to sue Esrey if he refused.

24 24. Esrey admitted that he knew about White Cap, its business and its ownership of
25 the WHITE CAP trademark. Nevertheless, he still refused to transfer the *whitecap.com*
26 domain name to White Cap.

27 25. Esrey also admitted that he knew that the *whitecap.com* domain name was
28 valuable to White Cap and that White Cap would seek to obtain the domain name from him.

1 26. After White Cap complained to Esrey and demanded that Esrey transfer the
2 *whitecap.com* domain name to White Cap, on information and belief, either Esrey caused
3 the fictitious *oceanographical.com* entity to register the domain name, or he transferred the
4 *whitecap.com* domain name to the fictitious *oceanographical.com* entity.

5 27. Persons entering *www.whitecap.com* on a web browser are redirected to a
6 website of the United States government and a particular webpage about ocean conditions.
7 That webpage is otherwise available to the public through a United States Navy website at
8 https://www.fnmoc.navy.mil/CGI/ww3_loop.cgi?color=w&area=glo&prod=wcaps_prbl.
9 Thus, persons who enter *www.whitecap.com* on their Internet browsers first are redirected
10 to *www.oceanographical.com*. Although the browser continues to show
11 *www.oceanographical.com* as the web address, the browser displays a single page of an
12 otherwise publicly available United States government website. The *www.whitecap.com*
13 and *www.oceanographical.com* web sites display no other content and link to no third-party
14 web sites.

15 28. Esrey and *oceanographical.com* committed their acts with the intent to deceive
16 and cause confusion and mistake, and were otherwise deliberate, knowing, willful or in bad
17 faith.

18 29. White Cap has been and will continue to be damaged by the acts of Esrey and
19 *oceanographical.com*.

20 30. Esrey registered the domain name *whitecap.com* with bad faith intent to profit
21 from the plaintiff's WHITE CAP trademark and their goodwill or otherwise to damage
22 White Cap. Esrey or *oceanographical.com*'s continued retention of the *whitecap.com*
23 domain name is in bad faith.

24 31. Plaintiff's WHITE CAP trademark was distinctive when Esrey's registered
25 *whitecap.com* as his domain name.

26 32. The infringing domain name *whitecap.com* is identical or confusingly similar to
27 and dilutive of the WHITE CAP trademark.
28

33. Esrey has a history of cybersquatting. On October 29, 2004, Simpson Strong-Tie Company Inc. sued Esrey in the United States District Court for the Northern District of California because of Esrey's registration of the domain names *simpsonstrongtie.com*, *simpsonstrong-tie.com*, *strong-tie.com* and *strong-wall.com*. Even after Simpson Strong-Tie filed suit, Esrey would not transfer the domain names to Simpson Strong-Tie though Esrey knew that his registration of the domain names was in bad faith and in violation of Simpson Strong-Tie's rights. Esrey failed to answer the complaint, defaulted and had a default judgment entered against him. The court awarded \$30,468 in damages and attorney fees and ordered Esrey to transfer the domain names.

34. Esrey's actions violate the Anticybersquatting Consumer Protection Act, 15 U.S.C. § 1125(d).

PRAYER FOR RELIEF

WHEREFORE, plaintiff White Cap prays for judgment as follows:

35. For an order directing TierraNet, the domain name registrar, to transfer the domain name registration and ownership of the domain name *whitecap.com* to plaintiff permanently.

36. For costs of suit.

37. For such other and further relief as the court may deem just and proper.
